Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees.

Recruitment and Appointment of Select Vestry

All members of the Church of Ireland who are over the age of 18 and are either resident within the Parish or live elsewhere, but have been accustomed members of the congregation for at least three months, may register as members of the General Vestry of the Parish, allowing them to attend and vote at meetings of the General Vestry and to stand for election to the Select Vestry. Meetings of the General Vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and Remuneration

The current Incumbent of Bangor Abbey Parish, Rev. Canon R. Nesbitt, is a Trustee of the Parish by virtue of his Office. He is in receipt of stipends and of office and locomotory allowances in accordance with figures approved by the General Synod of the Church of Ireland. This also applied to Curate Assistant, Rev. M. Gallagher until 10th June 2020. No other Trustee of the Parish of Bangor Abbey is in receipt of any payment for serving as a Trustee.

Organisational Structure

The Select Vestry is responsible for the day to day management of the Parish. The Select Vestry consists of the Incumbent member of Clergy serving in the parish, any Curate Assistant, the Churchwardens, the Glebewardens and generally not more than twelve other members of the General Vestry elected at the Annual General Vestry.

The Select Vestry is chaired by the Incumbent or other member of the clergy officiating in the Parish. Select Vestry members are responsible for making decisions on matters of general concern and importance to the Parish, including deciding how Parish funds are to be applied.

The Select Vestry meets at times fixed by the members or by the Diocesan Synod. Special meetings may be convened at any time by the chairperson or the Churchwardens. In 2020 the Select Vestry met 9 times (some meetings by Zoom) during the year and the average attendance was 80 %.

Annual Report for the year ended 31st December 2020

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustee' report and the Financial Statements in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland requires the Trustees to prepare Financial Statements for each financial year.

Under that law the Trustees have prepared these Financial Statements in accordance with Generally Accepted Accounting Practice in the United Kingdom (accounting standards issued by the Financial Reporting Council in the UK, including Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

Under that law the Trustees must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charity and of the Statement of Financial Activities of the charity for that period.

In preparing these Financial Statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the Financial Statements have been prepared in accordance with applicable Accounting Standards and identify the standards in question, subject to any material departures being disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the "going concern" basis unless it is inappropriate to presume that the Parish will continue as a going concern.

The Trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the financial position of the parish and enable them to ensure that the Financial Statements comply with the Charities Act (Northern Ireland) 2008, the Charity (Accounts and Reports) Regulations (Northern Ireland) 2008 and the provision of the Constitution of the Church of Ireland. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Annual Report for the year ended 31st December 2020

The Trustees present the Annual Report and Financial Statements for Bangor Abbey Parish Church for the year ended 31st December 2020.

Objectives and Activities

The charitable purpose of Bangor Abbey Parish Church (Church of Ireland) is the advancement of the Christian religion.

The principal function of Bangor Abbey Parish Church is to support the advancement of the Christian religion by promoting, through the work of Bangor Abbey Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help, are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Bangor Abbey Parish Church has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage, and maintenance of which, is undertaken by the Select Vestry of Bangor Abbey Parish Church.

Achievements, Performance & Public Benefit

The Trustees of Bangor Abbey Parish (The Select Vestry) has the responsibility of co-operating with the incumbent, the Rev. Canon R. Nesbitt, in promoting in the Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. The Trustees are responsible for the maintenance of the Church of Bangor Abbey, Bangor Abbey Parish Centre and St. Columba's Church, Kilcooley. The Trustees are committed to enabling as many people as possible to worship at both Bangor Abbey and St. Columba's and to become part of our Parish community. Our services and worship put faith into practice through prayer and scripture, music and sacrament. The Trustees try to enable ordinary people to live out their faith as part of our Parish community through:

- Worship and prayer
- Learning about the Gospel
- Developing their knowledge and trust in Jesus
- Provision of pastoral care for people living in the parish
- Missionary and outreach work.

To facilitate this work it is important that we maintain the fabric of both Church buildings and the Parish Centre. This year we have spent £600,000 in refurbishing the Church of Bangor Abbey.

Worship and Prayer

Bangor Abbey Parish offers a range of services during the week and over the course of the year that our community find both beneficial and spiritually fulfilling. For example, regular Sunday services of Holy Communion, Morning & Evening prayer at the Abbey provide a quiet, intimate and reflective environment for worship. Similar services are also held most Sundays at St. Columba's Church and at Clandeboye Chapel. Bangor Abbey endeavours to ensure that opportunities are also provided for people to engage in more outgoing forms of worship such as that provided by the monthly All Age Worship services. Special arrangements are made throughout the year for Baptisms, Weddings etc. All are welcome to attend our regular services. Unfortunately, due to the restrictions placed on everyone, because of Covid, we have had to reduce our services this year. To compensate this we have embraced social media and produced services on Facebook and YouTube.

At present some 420 families take Weekly Offering Envelopes. The average weekly attendance, counted during November, was circa 100, due to Covid restrictions. The attendance does ebb and flow considerably throughout the year, increasing at Easter and Christmas services and would normally average at circa 200. As well as our regular services, we enable our community to celebrate and thank God at the milestones of the journey through life. Through Baptism we thank God for the gift of life, in Marriage public vows are exchanged with God's blessing and through Funeral services friends and family express their grief and give thanks for the life which is now complete in this world and to commend the person into God's keeping. Ideally, the Trustees would like the Church building to be open to our community for private prayer at all times. Unfortunately, this is not always possible. The Abbey has been closed for most of the year due to Refurbishment and Covid restrictions. The Covid restrictions have also closed St. Columba's and Clandeboye Chapel, but we hope to return to a form of normality in 2021.

Annual Report for the year ended 31st December 2020

Pastoral Care

Before the Covid restrictions a mixture of Church organisations and various external groups used the Parish Centre. The Mothers and Toddlers group met on Tuesdays with around 20 – 25 children and their Mothers, or other carers, regularly attending. The Scout Group, the Guides and the Sunday Group are all very well supported and give the young people of the Parish and beyond, a safe, welcoming place to meet and make friends within the Christian ethos. At the other end of the age range, the Men's Association met on Monday evenings for a series of informative talks, whilst Thursday mornings sees a group of volunteers meeting to maintain the Graveyard and surrounding Church grounds. These activities offer a great opportunity for friendship and company. The same is true of the Bowlers on a Monday evening and the Craft Group on alternate Tuesday afternoons. Bible Study Groups met during the week to facilitate a greater understanding of the Bible and it's teachings for anyone interested. A monthly "Eating Together" event in the Parish Centre had also proved to be a very popular way of enjoying the company of others on a regular basis. Some members of the Parish are unable to attend Church due to sickness, infirmity or age. Canon Nesbitt strives to visit (socially distanced) such Church members when requested, and also to celebrate communion with them if they so desire. The Parish Office produced a monthly Parish Magazine to help those unable to attend to at least keep in touch with Church life and Parish activities.

With Covid restrictions all activity inside the Parish Centre was stopped, when the restrictions were eased we were able to have our Church services in the Centre. Hopefully 2021 will see a return to the Parish centre for the Church organisations.

Ecumenical Relationships

The Parish of Bangor Abbey continues to enjoy a close working relationship with the other denominational Churches within the town. These long-established and cordial partnerships continue to help foster good community relationships and is reflected in a willingness to come together for joint services where appropriate.

Mission and Evangelism

Helping those in need is a demonstration of our faith. The details of Bangor Abbey Parish's financial support for various Mission groups can be found elsewhere in this annual report, but the response to both regular and emergency appeals during the year continues to be very positive.

Public Benefit

The Trustees of the Parish of Bangor Abbey have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped them to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review

When I took over the role of Honorary Treasurer at the beginning of the year, of all the problems I foresaw, the last thing was a worldwide pandemic. As I write this we are back again in “Lockdown”, with the Church and Halls closed. Let us all hope and pray that some form of normality will return in the near future.

I start this review by offering my sincere thanks to each and every member of the Count Teams, especially the teams that helped during the period in which we were allowed to hold services. To Mrs. Heaney (Count Team Co-Ordinator), and to Mr & Mrs Knipe (Weekly Offering Recorders). Also can I take this opportunity to thank Ed McGookin, our previous Honorary Treasurer for all the help and assistance, he has given me, in my new role. Ed, after Fourteen years as Honorary Treasurer, you deserve a relaxing retirement.

The end of 2020 sees Bangor Abbey Parish complete its Fifth year as a fully registered Charity with the Charities Commission for Northern Ireland. At the end of the first four years, we have successfully completed the Annual Return process as required under the appropriate legislation, and my thanks again goes to Ed McGookin, for the amount of work involved to ensure we completed the process. This legislation lays out strict guidelines for the way in which the Trustees of the Charity (in our case, the Select Vestry) must present their Annual Report.

Bangor Abbey continues to operate five separate Current Accounts as listed below, all of which are held with Danske Bank, Bloomfield Centre, Bangor.

- No. 1 or General Account (Unrestricted)
- No. 2 or Building Reserve Account (Restricted)
- No. 3 or St. Columba’s Account (Restricted)
- No. 4 or Parish Centre Account (Restricted)
- No. 5 or Henrietta Moran Music Fund Account (Restricted)

Funds in the No. 1 Account (Unrestricted) can be used to pay any expense as decided by the Select Vestry, and as such it covers the majority of all expenditure, from salaries and pensions, to repairs and maintenance, and all utility bills, office costs etc. The funds in the Restricted accounts can only be used for the specific purpose of that account, not to cover general expenses.

At each monthly meeting, Select Vestry members (Trustees) are provided with a monthly Income & Expenditure Report, which includes a Year-to-Date Income & Expenditure update. They also receive a Budget Report each month and periodic forecasts as to likely financial outcomes where appropriate. It should be stressed that no spending is undertaken lightly or without due consideration regarding affordability. However, as previously stated, many areas of expenditure (e.g. Salaries, National Insurance, Pension contributions) are imposed upon us and are beyond the Select Vestry’s direct control.

This financial summary is primarily concerned with the No. 1 General Account, which looks after the day-to-day running costs of the Parish, but will also make reference to the No. 2 Building Reserve Account. The other accounts require no specific comment due to the very limited activity within each, throughout the year.

Annual Report for the year ended 31st December 2020

Financial Review

(Continued)

Total Income for the year in No. 1 Account was £158,462, a decrease of almost £17,800 on the figure for the previous year, which was £176,261. Like all Churches and charities, the past year has been very difficult, and everyone has found it hard to generate funds. The church services being stopped, and the Parish halls closed, reduced are ability to generate funds.

The expenditure during the year totalled £147,794, a decrease of £33,372 on the previous year's total spend of £181,166. With our Curate Assistant Rev. Mark Gallagher leaving, there was a reduction in staffing costs. Also with the Church and halls having to close, our gas and electricity bills, and other expenses were greatly reduced. This helped us to finish the year with an increase of almost £15,000 in the No. 1 Account.

Can I take this opportunity to wish Rev. Mark Gallagher all the best, as the new Rector of Trory and Killadeas. The Select Vestry and, I am sure, all the parishioners would like to thank him for all his work in the parish, especially the daily morning services during the first lockdown.

At the beginning of 2020 we had almost £405,000 for the Refurbishment Fund. The budgeted figure was £600,000, with this in mind the Select Vestry felt we could raise a further £45,000 and borrow £150,000. The loan was agreed with the bank and then Covid arrived. The work started on the Abbey and then stopped, but the money did not stop.

By the end of the year we had a total of over £576,000, just £24,000 short of our target. This has meant that we have, to date, not had to call on our bank loan, and the Select Vestry would like to thank every parishioner who helped us to achieve this position. But please do not stop there, as over the coming five years we anticipate major capital expenditure on the Tower, Rectory and Curateage.

A year ago we hadn't heard of Covid 19, so it is hard too know what the next year has in store, but hopefully some sort of normality will return, and we will be able to enjoy the new refurbished Bangor Abbey Church.

Annual Report for the year ended 31st December 2020

Notes to the Financial Statements for year ended 31st December 2020

1: Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

1: a) Basis of preparation

The Financial Statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The Parish meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note(s).

1: b) Preparation of accounts on a going concern basis

The Parish generally meets its day-to-day working capital requirements from its annual income. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Parish has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. Therefore these Financial statements have been prepared on a “going concern” basis.

1: c) Income

Plate Collections, Weekly Envelopes, Standing Orders and other income are accounted for on a cash receipts basis as the amount is collected.

Income arising from the rental of Parish Centre facilities to third parties is recognised when the parish has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether ‘capital’ grants or ‘revenue’ grants, is recognized when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred. Legacies are included within income under either unrestricted or restricted funds according to the terms under which the donation is made and when the amount can be quantified with reasonable certainty. Donations and gifts in kind are brought into the accounts at their fair value to the parish.

Annual Report for the year ended 31st December 2020

1: d) Expenditure

Expenditure is recognized once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

1: e) Tangible assets

The tangible assets of the Parish are comprised of Church Buildings and Graveyard, Parish Centre, Rectory and Curatage. The Church Buildings (Bangor Abbey & St. Columba's) and the graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included on the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The parish centre, although not physically attached to the church is deemed to be part and parcel Bangor Abbey Church and is situated within the church grounds. It is not separable as an individual asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Rectory and Curatage are recognised at deemed cost, being the estimated fair value of the property at 1st June 2020 as determined by Land & Property Services. No depreciation has been provided on either property as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years. Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the new disposal proceeds and the carrying amount is recognised in the statement of financial activities and included in 'Other operating (losses)/gains'.

1: f) Investments

Fixed asset investments comprising investment properties, investment in equities and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each balance sheet date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment. Unrealised gains and losses represent the difference between the fair value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and fair value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the fair value at the start of the year or cost if purchased in the year. Both realised and unrealised gains and losses in investments are reported within "Net Gains / (Losses) on Investments" within the statement of Financial Activities.

Annual Report for the year ended 31st December 2020

1: g) Cash and Cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within Creditors Amounts falling due within 1 year.

1: h) Financial Instruments

The Parish only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

1: I) Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use, that may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish.

Endowment funds are funds that have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the Parish.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

2: Critical accounting judgements and estimation of uncertainty

Estimates and judgements made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgements made in applying the Parish's accounting policies or that there are any critical accounting estimates or assumptions, which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

3: Going Concern

The Trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities, and the financial statements for the year end 31st December 2020 can be signed off as a "going concern".

Annual Report for the year ended 31st December 2020

4: Reserves policy

It is the Trustees policy to maintain a balance on unrestricted funds (if possible), which equates to at least three months unrestricted payments, equivalent to £36,000, to cover emergency situations that may arise from time to time. The balance of over £82,000 held on unrestricted funds, after designations, at the year-end comfortably met this target. The balance of just over £107,000 in the Building Reserve restricted fund is retained towards meeting the remainder of the anticipated cost of upgrades and improvements to the Church electrics and heating system. It is currently our policy to invest our funds balances with Danske Bank.
